

PETE Committee Meeting Minutes
Friday, April 4, 2019
Room 2007 Gym-Natatorium

Attendees: J. Haynes-Manogue, N. Krattiger-Ziltener, C. Kuhrasch, T. Gattenby, M. Shields, D. Timm, L. Cappabianca.

Agenda amended to include discussion of how students can attend WHPE convention under Old Business.

Announcements:

- Dan is attending the SHAPE Convention in Tampa during April. not been updated yet.
- Discussion of advising issues.
- Planning workshop for the summer – still in planning stages.
- 5 applicants for Fall cohort; brings total to 10.
- PE Club has approximately 8 members and has been meeting every two weeks.
- Cindy has meeting scheduled at Stock Pavilion to look at potential space for move. Provided information to Lindsey Honeyager for potential use of Nick space.
- Cindy is participating in some team building/leadership activities in the next few weeks.
- Adapted Fitness Open House next Thursday.
- Interest in Physical Activity certificate is blowing up.
- SoE Twitter account had some “troll” activity concerning the certificate. Decided best to ignore it.

Minutes approved.

Old Business

- BSPE 5 Year Review is going to department next week. Discussion regarding how to determine actual number of students. Numbers were derived from SIS. Number of under-represented students is actually higher than included in review.
- WHPE Convention – discussion of how to promote and improve student attendance. \$35 membership; \$50 registration by 10/3. Possible to send email to majors with information on the convention; need to address transportation issue. Need to change approach to “we are doing this” vs. suggesting attendance. Jonanne has included materials on a PE bulletin board to promote. Tim suggested student presentations might be a way to lure them to attend – he has students very eager to attend Adapted fitness convention in Boston and present. Perhaps there is a way to build this into course assignments/find alternatives for students who cannot attend.

New Business:

- Course Change Proposals – intended to align the courses with HPHE, Health Minor & EMS requirements as needed.
 - 353 – adding LAS and requisite
 - 360 – adding requisite
 - 501 – big overlap, revision to content, title, syllabus
 - 516 – remove Com B, adding PADA to requisite
 - 547 – add LAS criteria and HPHE to requisite
- PE Year-End Party – Saturday, April 27th @ Cindy’s House, 4:00-8:00pm.
- GPA Change for EMS discussed at UGSC; we need to formally move the PE exit GPA approval to UGSC for next month’s meeting agenda.
- Discussion of Graduation without student teaching. No more exceptions to this policy as UGSC will no longer approve.
