Announcements

1. Graduation is all set for May 11. Please attend if you are able.
2. Met with C. Klawitter and J. Wunderlin to discuss moving to an online application process. Will be evaluating programs over the summer.
3. New webpage for department.
4. AT program reception had 94 attendees; several awards/scholarships were distributed.

New Business

1. PETE & AT Exit GPA – Motion to change both to 2.5 from current 2.75. This would match up with SoE graduation requirements. Historically, students affected have been students of color. Vote carried unanimously.
2. Kines 127 Course Change Proposal – Motion to amend former Introduction to AT course, changing name and some content to appeal to a broader audience outside of AT. Potentially adding breadth requirements (biological science, LAS). Vote carried unanimously.
3. Discussion of BSAT program and potential Certificate in Athletic Healthcare. Certificate would be approximately 12 credits, designed for pre-PT students and others who are interested in MSAT program. Will probably be one crossover EMS elective; will try to preserve a few of the AT undergraduate courses if possible. Intent to plan MSAT has cleared campus; productive planning meetings are happening to facilitate these changes.

Meeting adjourned at 2:20pm.
